

# Project Yesu Update: May 2024

Hi there PY Fam!

We're kicking off this newsletter with a giant **THANK YOU** to each and every one of you for your continued support of Project Yesu. It truly takes a village, and you all are the

best villagers around!

## Term 1 Wrap-Up & A Week of Fun:

Our amazing kiddos just finished their first term, and they enjoyed a well-deserved break. To make it extra special, 60 of them spent a fantastic week at camp with our friends at Abundant Life Ministries. We can only imagine the fun and fellowship they shared!

## Boosting Academics & Planning for the Future:

We know education is key, so we brought in some talented teachers to support our children who need a little extra academic help. We're also excited to share that our upper primary students are already brainstorming their career goals! Our team met with them to discuss how Project Yesu can equip them for success in secondary school and beyond.

## Rescue Center Update: It's Official!

Huge news! Thanks to your incredible generosity, we were able to raise the funds to complete and furnish the additional two rooms at our rescue center. We're so happy to welcome our first group of boys who spent their break there. This is a huge step forward in providing a safe and nurturing haven for them.

## Suubi Academy Keeps Growing!

Construction is rolling along at Suubi Academy! The dining/community hall is taking shape, with the floors just being completed this week. We're on track to finish the electrical work soon.

## Empowering Our Parents:

While the children were busy at school, we focused on supporting their amazing families! We hosted a parenting seminar for all parents, and a separate one specifically for single parents and grandparents. These seminars provided valuable resources and fostered a sense of community.

We were truly touched when one of our parents donated 30 saplings to our program! Our parent leaders and our team joined together to plant them around our property, beautifying the space and promoting environmental responsibility.

## Growing Project Yesu Together:

Like many nonprofits, we're seeing a dip in donations recently. To keep moving forward and help even more children, we need your help! We've relaunched our "Couch Chats" initiative. Invite some friends over, and we'll come and share the Project Yesu story – how they can get involved, whether it's through financial support, social media sharing, spreading the word, or volunteering their time.

## Join the Conversation:

If you're in the Clarksville area, we'd love to visit you in person for a Couch Chat. For our friends further away or overseas, we can join you virtually! Let's chat about how we can keep Project Yesu growing together. Email [rory@prjectyesu.org](mailto:rory@prjectyesu.org) if you are interested!

**-Team PY**

P.S. Stay tuned for more updates on our website and social media! We're so grateful for your continued support. Together, we can make a real difference in the lives of these amazing children.
